Summary

Welcome! If you're seeking expertise in Angular, Javascript, Typescript, Asp.net, and Dotnet Core project development, you've come to the right place. With over 7 years of professional experience in web application development and a Bachelor's degree in Software Engineering, I am passionate about crafting exceptional solutions using Angular and React. My specialized skills encompass Angular, Typescript, JavaScript Web design, Dotnet Core, and building robust RESTful APIs.

I take pride in delivering tailor-made web designs and applications that combine striking aesthetics with dependable functionality.
